Heavy Buying of Stock Credited to Rockefellers Sends the Price Up Five Points.

WHOLE LIST ADVANCED.

Helped to Stimulate Speculation Held in Check Re- by her partners:

Interest in the stock market to-day from Atlantic City and are living at the centred in St. Paul and Missouri Pa-cific, and about the future of the two street. They went out in their autowas revived a great deal of gassip.

ran up to 196 1-2, a clear gain of 5 1-2 dealings in Missouri Pacific, it was ter not to try to keep this, this er matter so quiet, eh? 'Spose everybody'll said that the alliance between George think it a runaway affair; but, say, it Gould and the Rockefellers was soon wasn't. Why, I've known Mrs. Purly to take concrete shape.

It was asserted that the Rockefellers intended to give the Goulds representation on the St. Paul Board and that to-day's heavy trading in the shares of Easton, and—and—well, y' know, I—er—

the rest of the market moved upward really, I shouldn't talk. There's bound and at the same time the volume more to be a lot of chatter now probably than trebled the transactions of yes- an' I'll have to stand it, and talking Call-Money Rate Lower.

Although this was settlement day on it wusn't."

the Exchange, with the consequent Young Mr. Campbell has been a mem even better than yesterday.

cent. for a loan of \$50,000 and the ma-jority of the loans for the day at 7 and 7 1-2 per cent., although the rate advanced to 8 and 9 per cent.

due to the better showing by the assoclated banks, which have lost less than \$3,000,000 to tre Sub-Treasury this week, as compared with a loss of nearly

Additional confidence in the bettered Additional connected in the bettered situation of the money market was engendered by the payment by the Sub-Treasury of \$250,000 for Klondike gold receive. at San Francisco by the Bank of British North America and the statement from the same institution that it would receive on Monday \$150,000 additional gold.

Money from Kansas City.

J. S. Bache & Co. also announced that the First National Bank of Kansas City had shipped \$500,000 to New York to be loaned on Monday.

The banks, on the known movements of money, have lost on the direct outward movement of cash \$1,118,600 and lost to the Sub-Treasury \$2,210,000.

In the operations in the railway list to-day, independent of Missouri Pacific and St. Paul, there were numerous sales of Rock Island for cash at an advance of three points.

Atchison, Pennsylvania, Southern Paof three points.
Atchison, Pennsylvania, Southern Padific, Baltimore % Ohio and Illinois Central were very active, each scoring
gains in the trading.

Manhattan a Leader.

St. Louis Southwestern, which has been extensively boomed for a phenomenal advance on the strength of rumored deals, refused to go upward and was manipulated for a fractional loss. The leader in the traction list was Manhattan again, which scored a new high point for this movement on the belief that its earnings are steadily increasing from new business.

The industrial list, heretofore neglicated excet in the specialties, was strong, with the steel issues leading. Sugar was strong, and the independent steel stocks also showed advances, Colorado Fuel & Iron was weaker on the Steel Corporation in the suit brought.

by Mrs. Berger to restrain the cortain the Survey of a renewal of litigation between the Osgood-Gates belligerents.

The Foreign Exchange market was practically unchanged with the figures for sterling the same as yesterday and the supply of commercial bills was small.

Steel Corporation in the sam torogan is ted between him and the defendants by Mrs. Berger to restrain the cortain poration from converting \$200,000,000 be divided between them pro rata. The claims were represented by a man named Daniels, who died, and the powers of attorney held by him were after

The Wheat Market.

The Wheat Market.

The wheat market to-day opened quiet with prices a shade below last night's slosing. Outside markets, however, became firmer later, and the local market scovered somewhat. The general trade was very light and mostly for evening-up purposes among professionals. Corn was off a shade at the start, but railled later with wheat.

New York's opening prices were: Wheat—May, 74 3-4; September, 74 1-5 be December, 73 3-8 to 73 1-2. Corn—September, 65 5-8.

Chicago's opening prices were: Wheat—May, 70 to 69 7-8; September, 72 1-4; December, 68 1-2 to 68 5-8. Corn—May, 40 1-2 to 40 144; September, 78 1-5; December, 68 1-2 to 68 5-8.

ROCK ISLAND CONVERSION.

Plan Successfully Carried Through
The Stock Outstanding. The local cotton market opened firm and the prices 1 point lower to 3 sints higher. Sentiment after the opening was decidedly builtish on good long an cables and crop news. Wall street tills pushed matters in the early tradity option, which again reached the later the call trading was very time and the market strong.

The opening prices were: September, 5 to 8.78; October, 8.76 to 8.77; Nomber, 8.75 to 8.80; March, 8.60 to 4.71; Nomber, 8.75 to 8.80; March, 8.60 to 4.72; Nomber, 8.75 to 8.60; May, 8.61 to 8.62.

The prices at 2.30 P. M. were: October, 8.76 to 8.75; December, 8.75 to 8.60; May, 8.61 to 8.62.

This amount has been acquired entirely by a system of arbitrage buying the stock in the Stock Exchange and selling the new securities on the curb. The local cotton market opened firm

The GREAT FALL SHOE SALE Begins Tomorrow! This is one of the great shoe occasions of the year—the

first great assembling of Fall and Winter Shoes gathered from the surplus stocks of the best factories in America. These are Shoes that makers have held fast to, right up to the

moment when the latest Winter goods pushed them aside, and they came to us for quick distribution.

Some of the children's and girls' shoes were made up new for us during dull Summer months; thus we obtained superb bargains in Shoes of which there are seldom surplus stocks to be found.

Thousands Upon Thousands of Pairs of Good and Worthy Shoes at Half or Two-thirds Their Value!

The variety is exceptionally broad, in Shoes for Men, Women and Children. Full details are not ready at this writing, and we print but four suggestive items. Full details in New York morning papers.

MEN'S \$3, \$4 and \$5 SHOES at \$1.50 a Pair Result of a housecleaning; not all sizes in each lot, but the best sizes in plenty-about 300

WOMEN'S \$2 and \$2.50 SHOES at \$1 a Pair Black Velour Kid or Calf; lace or button; in nearly every size; about 400 pairs. GIRLS' \$1.50. \$2 and \$2.25 SHOES at 75c a Pair

Black Shoes of Enamel and Patent Leather; lace and button; spring heels; nearly all sizes BABIES' \$1 to \$1.50 SHOES at 50c a Pair

Turn soled Kidskin Shoes, button and lace; somewith wedge heels, others with no heels; sizes 2 infants' to 10 1-2 girls'. Extra space has been added to the already large Basement Shoe

Store; and salespeople aplenty will be provided to serve you. None of the special Shoes on sale today—ready at eight o'clock Saturday morning.
